The Class B Member shall be a voting member and shall be entitled to cast the number of votes which are contained in the total of all Class A Members, plus one vote, until such time when the Class B Membership terminates and is converted to Class A. Membership. Class B Membership shall terminate and be converted to Class A Membership upon the happening of the earlier of the following:

(i) When the Declarant shall no longer have any rights to develop or acquire title to any portion of the real property described in Section 2(a) of Article II;

Declarant, for each Lot and Living Unit owned within the Properties, hereby covenants, and each Owner of any Lot or Living Unit by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, shall be deemed to covenant and agree, for himself, his heirs, representatives, successors and assigns, to pay to the Association:

(a) Annual assessments or charges; and

(b) Special assessments for capital improvements and as provided in Article I, section

All such assessments shall be fixed, established and collected as hereinafter provided. The annual and special assessments, together with interest, costs and attorney's fees, shall be a charge upon the Lot or Living Unit against which such assessment is made. Each such

assessment, together with interest, costs and reasonable attorney's fees, shall also be the personal obligation of the person who was the Owner of such property at the time when the assessment fell due. The personal obligation of an Owner for delinquent assessments shall not pass to his successors in title, unless expressly assumed by them.

Section 2. Annual Assessments or Charges. The annual assessments or charges levied by the Association shall be used exclusively for promoting the recreation, health, safety and welfare of the residents of the Properties and, in particular, for the improvement and maintenance of the Common Areas, payment of insurance with respect to the Common Areas and repair, replacement additions thereto, and to the discharge of the obligations of the Association as imposed by this Master Declaration.

Section 3. Amount of Annual Assessments. The annual assessment for each Lot or Living Unit in the Properties shall be payable annually, in advance, and the maximum amount thereof shall be determined as follows:

(a) Until December 31, 2004, the annual assessment shall be Nine Hundred and 00/100s (\$900.00) Dollars per Lot or Living Unit except that the annual assessment for any Lot or Living Unit prior to "substantial completion" as defined below in Section 7 shall be an amount equal to one-half of the annual assessment for a Lot or Living Unit following substantial completion;

(b) The maximum annual assessment for the calendar year beginning January 1, 2005, and for each calendar year thereafter, shall be established by the Board of Directors and may be increased by the Board of Directors without approval by the membership by an amount not to exceed fifteen (15%) percent of the maximum annual assessment of the previous year;

(c) The maximum annual assessment may be increased without limitation by the affirmative vote of a majority of each class of the Members who are voting in person or by proxy, at a meeting duly called for this purpose; and

(d) The Board of Directors may fix the annual assessments at an amount not in excess of the maximum. When the Board of Directors fixes the annual assessments for each calendar year, the Board shall, at the same time and in connection therewith, prepare, or cause to be prepared, an annual budget showing the services provided by the Association and the costs thereof per Lot or Living Unit.

Section 4. Special Assessments for Capital Improvements. In addition to the annual And special assessments authorized above, the Association may levy, in any calendar year, a special assessment applicable to that year only, for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement upon the Common Area, including the necessary fixtures and personal property related thereto, provided that any such assessment shall have the assent of two thirds (2/3) of the votes of each class of Members who are voting in person or by proxy at a meeting duly called for this purpose. All special assessments shall be fixed at a uniform rate for all Lots or Living Units and may be collected on a monthly basis.

Section 5. Notice and Quorum for Any Action Authorized Under Sections 3 and 4.

Written notice of any meeting called for the purpose of taking any action authorized under Sections 3 and 4 shall be sent to all Members not less than thirty (30) days or more than sixty (60) days in advance of the meeting. At the first meeting called, the presence at the meeting of Members, or of proxies, entitled to cast sixty (60%) percent of all the votes of each class of membership shall constitute a quorum. If the required quorum is not present, another meeting may be called, subject to the same notice requirement, and the required quorum at the subsequent meeting shall be one half (½) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than sixty (60) days following the day set for the preceding meeting.

Section 6. Uniform Rate of Assessments. Unless otherwise provided herein, both annual and special assessments shall be fixed at a uniform rate for all Lots and Living Units and shall be collected on a monthly basis or any other basis approved by the Board of Directors.

Section 7. Date of Commencement of Annual Assessments: Due Dates. The annual assessments provided for herein shall commence as to any Lot or Living Unit six (6) months following the date such Lot or Living Unit is purchased from Declarant. The full annual assessment provided in Section 3(a) shall commence as to any Lot or Living Unit on the first day of the month following substantial completion of such Living Unit, or the dwelling erected upon such Lot. "Substantial completion" shall be deemed to mean that stage of construction at which the dwelling or Living Unit shall be reasonably suitable for human occupancy. The first annual assessment shall be adjusted according to the number of months remaining in the calendar year and shall become due and payable on the day fixed for commencement. At least thirty (30) days in advance of each annual assessment, the Board of Directors shall fix the amount of the annual assessment and give each Owner subject thereto written notice of each assessment. The due date shall be established by the Board of Directors. The Association, upon demand and payment of a service fee of not more than Fifteen and 00/100s (\$15.00) Dollars shall furnish a certificate in writing signed by an officer of the Association setting forth whether the assessment on a specified Lot or Living Unit has been paid. A properly executed certificate of the Association as to the status of assessments on a Lot or a Living Unit shall be binding upon the Association as of the date of its issuance.

Section 8. Effect of Nonpayment of Assessment; Remedies of the Association. Any monthly assessment not paid within thirty (30) days after the due date shall bear interest from the due date at that rate which is equal to the rate of interest chargeable by law in the State of Georgia on money judgments, or Fifteen (15%) percent per annum, whichever is lower, and such amount, together with interest and the costs of collection thereof as provided hereinafter, shall thereupon become a continuing lien upon the property against which such assessment was made, and shall bind such property in the hands of the then-Owner, his heirs, devisees, personal representatives and assigns. The Association may bring an action at law against the person personally obligated to pay the same, or foreclose the lien against the property in like manner as a deed to secure debt and, in either event, interest, costs and attorney's fees in the amount of Fifteen (15%) percent shall be added to the amount of such assessment. Upon exercise of its right to foreclose, the Association may elect to declare the entire remaining amount of the annual

assessment due and payable and collect the same as provided above. In the event of any such foreclosure, the Owner shall be required to pay reasonable rental for the lot or Living Unit after commencement of the foreclosure action; the Plaintiff in such foreclosure shall be entitled to the appointment of a receiver to collect the same. No Owner may waive or otherwise escape liability for the assessments provided herein by non-use of the Common Area or abandonment of his Lot or Living Unit.

Section 9. Subordination of Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any mortgage or deed to secure debt now or hereafter placed upon the property subject to assessment and the lien of any ad valorem taxes. Sale or transfer of any Lot shall not effect the assessment lien. However, the sale or transfer of any Lot or Living Unit pursuant to a mortgage foreclosure, or any proceeding in lieu of foreclosure, shall extinguish the lien of such assessments as to payments which became due prior to such sale or transfer. No such sale or transfer shall release such Lot from liability for any assessments thereafter becoming due or from the lien thereof.

Section 10. Exempt Property. The following property subject to this Master Declaration shall be exempt from assessments, charges and liens described in this Article:

- (a) Property dedicated and accepted by local public authority and devoted to public use;
- (b) Properties which are or become parts of the Common Area;
- (c) Any property exempt from taxation by the laws of the State of Georgia upon the terms and to the same extent of such leave of exemption. Notwithstanding any provisions herein to the contrary, no Lots or Living Units devoted to dwelling use shall be exempt from such assessments, charges and liens.

ARTICLE VI

Repair, Restoration and Rebuilding; Insurance

Section 1. Repair, Restoration and Rebuilding. In the event any Dwelling or Living Unit shall be damaged or destroyed by fire, other casualty or any other cause or event whatsoever, the Owner shall repair such damage or destruction within ninety (90) days after such damage or destruction or, where repairs cannot be completed within ninety (90) days, they shall be commenced within such period and shall be completed within a reasonable time thereafter. Alternatively, the Owner may elect to demolish all improvements on the Lot and remove all debris therefrom within ninety (90) days after such damage or destruction and shall thereafter keep the Lot in a neat and clean condition. In the event of non-compliance with this provision, the Association shall have all enforcement powers specified in this declaration. In the event an Owner does not remove all debris from a Lot as provided herein, the Association may cause the removal of same, and the cost of such removal shall constitute a lien upon the Lot until paid by the Owner.

Section 2. Insurance Required. Each Owner shall maintain in full force at all times insurance covering the improvements erected upon his Lot, or the value of his Living Unit, consisting of, or providing all the protections afforded by the insurance now generally described

as fire, extended coverage, additional extended coverage, vandalism and malicious mischief, to one hundred (100%) percent of the full insurable value thereof, with loss payable on the basis of the cost of replacement without deduction for depreciation.

Section 3. Association Not Liable. The Association and its officers, directors, employees, agents and representatives shall have no liability to any Owner for damage to or loss of either the real or any personal property of said Owner unless due to negligence or willful misconduct.

Section 4. Obligation of Association. Notwithstanding anything to the contrary herein contained, the obligations of the Association under the provisions of this Article VI shall be limited to the repair, restoration and rebuilding of the Common Area, and the Association shall not be responsible for repair, restoration or replacement of any property of the Owners or others.

Section 5. Common Area. The Association shall obtain and maintain property insurance covering all of the Common Areas (except land, foundations, excavations and other items normally excluded from coverage), including building service equipment and fixtures, insuring against loss by fire and other perils normally covered by standard extended coverage and all other perils normally covered by the standard "all risk" endorsement, for an amount equal to one hundred percent (100%) of the current replacement cost of such items, which policy or policies shall provide that the terms thereof may not be cancelled or substantially modified without at least ten (10) days' written notice to the Association.

Section 6. Use of Proceeds. Notwithstanding the foregoing, to the extent required by the terms of any mortgage for value of any part of the Properties, the proceeds of any insurance becoming payable on account of any loss of, or damage to, the part of the Properties so mortgaged shall be paid first to such mortgagee to the extent of its interest; provided, however, that such mortgagee shall cause or permit all such proceeds received by it to be applied upon the cost of repair, restoration or rebuilding of such loss or damage; and shall not apply or seek to apply such proceeds to reduce such mortgage, except for any excess of such proceeds over the full cost of such repair or restoration, unless it shall be determined in accordance with the provisions of this Declaration that such loss or damage is not to be required or restored.

Section 7. Application of Declaration and Bylaws. Any Dwelling or Living Unit which has been destroyed, in whole or in part, by fire or other casualty, and subsequently restored or reconstructed, shall be subject to the provisions of this Declaration and to the Bylaws of the Association.

ARTICLE VII

Exterior Maintenance

Section 1. Exterior Maintenance. To the extent that exterior maintenance is not provided herein or in any supplemental declaration filed for record pursuant to the terms hereof, each Owner shall keep all Lots owned by him, and all improvements contained thereon, in good order and repair and free of debris including, but not limited to the seeding, watering and mowing of all lawns, the pruning and cutting of all trees and shrubbery and the painting or other

appropriate external care of all improvements on a Lot, all in a manner and with such frequency that is consistent with good property management. In the event that an Owner fails to maintain his Lot and the improvements thereon as provided herein, the Association shall have the right, but not the duty, after providing notice to the Owner, to enter upon the Lot and provide the maintenance, repair or restoration required under this section.

Section 2. Assessment of Costs. Costs of such exterior maintenance shall be assessed against the Lot or Living Unit of the Owner, and shall be added to and become part of the annual assessment or other charges to which such Lot or Living Unit is subject. It shall be a lien upon the Lot or Living Unit and the personal obligation of the Owner, and shall become due and payable in all respects as provided in Article V.

ARTICLE VIII Architectural Control

Section 1. Purpose. It is the Declarant's purpose to prohibit any improvement or change in the Properties which would be unsafe or hazardous to any personal property; to minimize destruction or diminution of the view afforded to all Lots, and to preserve as much as is practicable of the visual continuity of the Properties; to assure that the improvements and construction of dwelling units on the Properties will be of good and attractive design, and in harmony with the natural setting of the area and serve to preserve and enhance the beauty thereof, and to assure the materials and workmanship for all improvements are of high quality and comparable to other improvements permitted on the Properties, and to assure that construction of improvements in the Properties is carried out by builders of financial reliability who can be expected to produce quality construction.

Section 2. Approval Required. No building, wall, dock, walkway, driveway, fence, mailbox, screening device, swimming pool or other structure shall be commenced, erected or maintained upon the Properties, nor shall any exterior addition to or change or alteration therein be made, nor shall the clearing of any trees or change of property grade be made, until plans and specifications showing the nature, kind, shape, height, materials, location and grade of the same have been submitted to and approved in writing as to conformity and harmony of external design and general quality with the existing standards of the neighborhood and location in relation to surrounding structures and topography by the appropriate committee. No change shall be made in the color, stain or painting of any structure or door thereof, or balcony or deck thereunto attached, unless so approved.

Section 3. Design Review Committee. The Design Review Committee (DRC), shall consist of at least three and not more than five members, to be appointed by the Board of Directors, and shall have exclusive jurisdiction to approve or disapprove all new construction on any portion of the Properties. The DRC shall prepare and, on behalf of the Board of Directors, shall promulgate design review guidelines. The guidelines shall be those of the Association, and the DRC shall have sole and full authority to prepare and amend them. These guidelines shall be made available to Owners who seek to engage in construction upon any portion of the Properties, and such Owners shall conduct their operation strictly in accordance therewith. The DRC shall

also promulgate appropriate forms upon which applications for approval shall be submitted, and shall have the authority to change such forms from time to time.

Section 4. Modifications Committee. The Modifications Committee (MC) shall consist of at least three and no more than five members, all of whom shall be appointed by the Board of Directors. The MC shall have exclusive jurisdiction over modifications, additions or alterations made on or to existing units and any open space appurtenant thereto.

Section 5. Liability. Neither the DRC nor the MC or any member thereof shall be liable to the Association or to any Owner for any damage, loss or prejudice suffered or claimed on account of:

- (a) The approval or disapproval of any plans, drawings and specifications, whether or not defective;
- (b) The construction or performance of any work, whether or not pursuant to approved plans, drawings and specifications;
- (c) The development of any property within the Properties, provided that such member has acted in good faith on the basis of such information as may be possessed by him or her; or
- (d) Any negligence or breach of contract by any builder approved by the DRC or MC to carry out construction within the Properties.

Section 6. Responsibility of Declarant. There is reserved unto the Declarant the right of performing all functions and to give the approvals and disapprovals otherwise within the jurisdiction of the DRC and the MC, so long as Class B Membership exists.

Section 7. Procedures. Whenever approval is required for any matter within the jurisdiction of the DRC or MC, the person seeking such approval shall furnish the data required by such Committee, upon forms furnished by it, and no such submission shall be deemed to have been made unless and until all required information has been received. The Committee shall either approve or disapprove such design and location and proposed construction and clearing activities within forty-five (45) days after such plans and specifications have been submitted to it. If the plans and specifications are disapproved in any respect, the applicant shall be notified wherein such plans and specifications are deficient. The Board of Directors of the Association shall have the right, from time to time, to establish reasonable filing fees to defray the expenses of the DRC and MC, which shall be paid at the time of submission of such plans.

Section 8. When Approval Deemed Granted. In the event the DRC or MC, as appropriate, shall fail to approve or disapprove a proposed design plan location within forty-five (45) days after the plans and specifications therefor have been received by it, approval shall be deemed granted, unless a suit to enjoin the proposed construction has been commenced prior to commencement of construction. Plans and specifications required to be submitted shall not be deemed to have been received if they contain erroneous data, or fail to present accurate and complete information upon which the committee shall be expected to base its decision.

Section 9. Right to Inspect. The DRC or MC shall have the right, at its election, to enter upon any Lot during the construction, erection or installation of improvements or alterations, to inspect the work being undertaken in order to determine that such work is being

performed in conformity with the approved plans and specifications, and in a good and workmanlike manner utilizing approved methods and good quality materials. The committee shall have the power of abatement and the power to order the dismantling or cessation of nonconforming work, and to enforce such order by any legal or equitable proceedings, including but not limited to, a proceeding seeking a temporary restraining order or other injunctive relief.

Section 10. Time of Construction. Any construction undertaken on any Lot shall be commenced within one (1) year after Declarant shall first convey such Lot, prosecuted with diligence toward the completion thereof, and construction of any dwelling shall be completed within one (1) year after commencement of construction, except that such period may be extended by reason of act of God, labor disputes or other matters beyond the Owner's control. "Completed" shall include installation of all approved landscaping.

Section 11. Repurchase. Failure of an Owner to comply with the provisions of Section 10 of this Article, or an attempt by an Owner to convey his Lot prior to commencing construction of a dwelling thereon, shall entitle Declarant, within thirty-six (36) months after original conveyance by it of such Lot, to repurchase the same at the same price as such Lot was originally sold. Unless such Owner shall immediately comply with Declarant's exercise of this right to repurchase, Declarant may enforce its right by suit for specific performance, and may file a notice of lis pendens as evidence of its intent to do so. Failure to file such notice within such thirty-six (36) month period shall be conclusive evidence that the Owner has complied with Section 10, or that Declarant has waived its right to require such compliance.

Section 12. Approved Builder. Within these easements, no structures, planting or other materials shall be placed or permitted to remain which may interfere with the installation and maintenance of utilities, or which may change the direction of flow of drainage channels and easements, or which may obstruct or retard the flow of water through drainage channels and easements.

(b) A non-exclusive easement in favor of the Declarant, its successors and assigns, for the construction of improvements upon the Properties, and for exhibition and sale of such improvements.

Every Lot shall be subject to an easement for entry and encroachment by the Declarant for a period not to exceed eighteen (18) months following conveyance of such Lot to its original owner for the purpose of correcting any problem which may arise regarding grading and drainage. The Declarant, upon making entry for such purpose, shall restore the affected Lot or Lots to as near the original condition as practicable.

(c) By act or omission, change, waive or abandon any scheme of regulation, or enforcement thereof, pertaining to the architectural design or the exterior appearance of residential dwellings, the maintenance of party walls or common fences and driveways, or the upkeep of lawns, plantings and improvements located in or on the Common Area; and

Section 6. Notice to Mortgagees. A first mortgagee, upon request, is entitled to written notification from the Association of any of the following:

In the event of any such settlement, indemnification shall apply only when the Board of Directors of the Association approves such

settlement and reimbursement as being in the best interest of the Association.
